

Good things are coming your way	The next time you see a black cat, your relationships will become better...or worse
An opportunity is coming your way - grasp it!	If you have breakfast for dinner and dinner for breakfast, you will live to 100
Your foot will break while playing soccer	If you are not awesome your toilet paper will turn to sand paper
If you get exactly 7hrs, 2mins, 22secs of sleep tonight, tomorrow a unicorn will be by your bed	You will be on the cover of a magazine next year
Don't take the ones you love for granted	If you have blue eyes a dog will lick your face
A tricky situation is destined. Trust your gut	Turn around. A surprising glimpse shows you your future
A bird will poo on your head.	All is not as it seems - be optimistic and enjoy your good fortune
Something will fall from the sky	Beware the falling leaf
Speakers will blow your ears	Sniff your armpit for good luck
A cactus will spike you in the face	Waggle your head and touch your ears to ensure good luck for 1 year
A mouse will eat all your cheese	Birds will show you the way to happiness
A cloud will make you dance	Early to bed and early to rise...but why?
Look for the shiny path opening up before you	Leave no grain of rice uneaten
Good luck is coming your way	If the sun says 'yes' then the future is blessed
If you breathe in the next minute your face will turn purple	Rain will make you smile
This note is your ticket to fortune	Enjoy every day ending in Y
You will eat too much tomorrow	Every person is trying their best to be good
Gold and red behind your bed will make you very sore in the head	If your fortune cookie broke into 3 or more pieces prosperity is coming your way
Jump to the ceiling to reveal your true being	The soles of your feet will give you the answer
If you like the taste of fortune cookies you will be very happy	Never look a gift horse in the mouth...or ears
